

Welcome to the 2017 Wiregrass Home Run Derby

The 2017 Home Run Derby is open to all Current High School Baseball Players

**Players can use BBCOR Bats ONLY\***

**\*use of any other bats will result in disqualification from the event.**

**Derby Format**

The 2017 homerun derby will consist of **five rounds** in which players are eliminated after each round.

**ROUND ONE  
(elimination)**

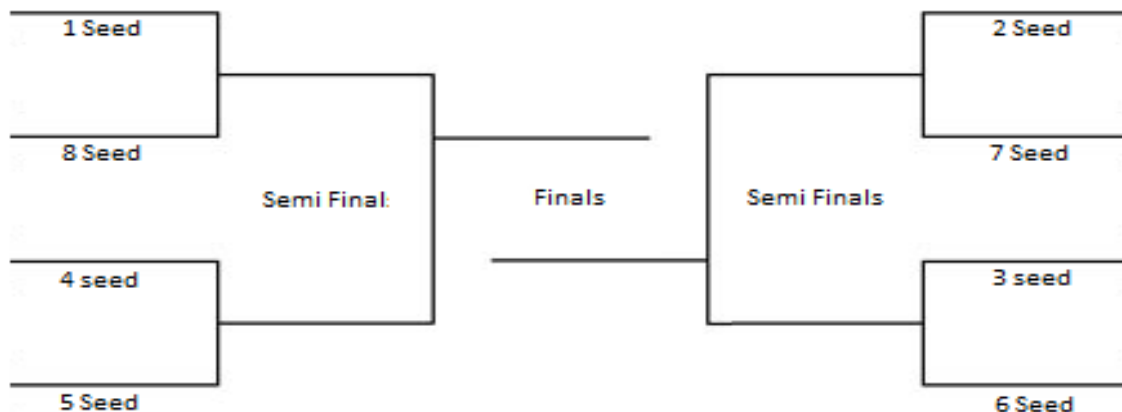

All players will have 10 (ten) outs to hit as many home runs as possible. An out occurs on ANY SWING taken by the player that does NOT result in a home run. Home Runs DO NOT COUNT as outs. The players with the top 16 homerun totals will advance to the 2<sup>nd</sup> round. In the event of a tie for the last remaining spot(s), tied players will be awarded 3 (three) additional outs to determine the remaining spots. **Homeruns hit in tiebreakers DO NOT carry over to round 2.**

**ROUND TWO  
(elimination)**

All players advancing to round two will again have 10 (ten) outs to hit as many homeruns as possible. The homerun totals from the 1<sup>st</sup> round **DO CARRY OVER** and will be added to the total for the 2<sup>nd</sup> round. The players with the top 8 homerun totals will advance to the 3<sup>rd</sup> round. In the event of a tie for the last remaining spot(s), tied players will be awarded 3 (three) additional outs to determine the remaining spots.

**ROUNDS THREE, FOUR & Championship  
(head to head)**

**All homerun totals are cleared.** Players are seeded 1-8 based on their total number of Homeruns through the first two rounds. (tiebreaker for seeding purposes will be 1. number of homeruns in round 1, 2. (coin flip) Players will compete directly against one another in the following bracket format. Players will each have 10 (ten) outs per round.

Tiebreakers during bracket play will consist of an additional 3 (three) outs for each hitter, and will continue until a winner is determined on the field. \* In the event
